COPY MACHINES

25X1A

Messrs. [] reviewed the copying capability of the IAS 2400 Xerox copier and compared it with the newer Xerox 3600 copier. They concluded that the newer 3600 would be better suited to IAS needs because it makes better reproductions and also provides a sorting capability. They recommended IAS get this newer 3600 copier.

25X1A

[] also recommended and it was agreed that IAS try out, on a 30-day loan basis, a small IBM telecopier machine which is capable of making up to ten copies. This would be located near his office and provide IAS with an additional capability.

MIDCAREER VISITORS

Director, IAS, will give a brief presentation to the Midcareer group visiting IAS tomorrow. He asked that the division chiefs attend and answer questions that come from the floor.

RETIREMENT RECEPTION FOR COL. WHITE

Mr. Stoertz announced that IAS was invited to a reception honoring Col. White, Executive Director-Comptroller, in the Rendezvous Room at Headquarters.

COMIREX

EXRAND

25X1A

25X1

[] attended EXRAND sponsored briefings on the following: "The New System, Organization of [] and Specific Mission of a Compartmented Part of []"

25X1

CHANGE IN APPROVAL AUTHORITY FOR IOM'S

The members discussed and approved the Change in Approval Authority for IOM's. The Director expressed confidence that the high standards would continue to be maintained.
